## REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: none of prior art teach or suggest a system for interacting with two displays, comprising moving a pointer according to an input device between a first display and a second display, or between the second display and the first display, seamlessly as if a top portion of the first display seamlessly joins a bottom portion of the second display, and determining a horizontal position X of the pointer when moving from the first display to the second display based on a horizontal position x of the pointer on the first display, a number of pixels h in the horizontal direction of the first display and a number of pixels H in the horizontal direction of the second display wherein x:h substantial equals X:H as claimed in independent claims 1 and 2.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

Akatsuka (US. PAT. NO. 5,047,754) teaches a display apparatus for displaying a cursor over a plurality of display screens, a signal processing for receiving the relative coordinates generated by a mouse and determining a display screen on which the cursor is to be displayed.

Yamada (EP 0 467 720) teaches a display screen is divided into a plurality of split screens and a mouse equipped with a switch moves a cursor among the plurality of split screens.
